# ON-CAMPUS GROUPS

## SUNDAY MORNING

### *Family Life and Faith*

#### **For all who strive to build a stronger family**

Todd Sullivan and Brian Schubert lead this on-going study on the names of Jesus. They are taking a deeper look at what they are, what they mean, and why they matter to me. Group time includes fellowship, prayer and sharing. The group meets at 9:30am in D-22.

### *Foundations*

#### **Open group for all ages**

Beginning April 3rd, this team-led group (Tim Hunsicker, Gary Likowski and Andriy Adroshchuk) is studying the book of Romans. During this nine week study we will be breaking down key passages and major themes of this epistle to deepen our understanding of the gospel. The group meets at 9:30am in A-1.

### *Lighthouse*

#### **Open group for all ages**

Jeff and Ann Hemme are leading a study on the book of Acts which records the start of what we know as the church-age. The book records Jesus' preparation of his disciples before he ascended into heaven. During this study we will explore how each believer today is part of the discipleship movement that Jesus started over 2000 years ago. Typical group times include study, prayer and fellowship. The group meets at 9:30am in D-24.

## ***Life With Kids***

### **For anyone raising kids**

Dwight and Jamie Brandon and Ed and Sue Reber are continuing to explore 40 major events from "In the beginning God..." to end times, unveiling God's unique provision in His plan to bring hope to people of all times and places. Whether you are learning about the Bible for the first time or an experienced scholar, this study will give you a comprehensive understanding of God's plan in an easy to remember format. The group meets at 9:30am in D-28.

## ***Marriage Builders***

### **Young married couples**

Brian and Tammy Dors and Dan and Jaclyn Shaffer will continue leading a study on the book of Acts. This study will take you from the beginning of the church where Jesus prepares His disciples for the mission to come by reaffirming the promises made about Himself, His ascension, predicted return through the Great Commission, and the role that each of us plays in discipleship and the growth of the church. The group meets at 9:30am in A-9 and 10 (parlor).

## ***Seasons***

### **Open group for all ages**

Aaron and Noelle Schaum will be leading a book study *Secret Church: Who is God* by David Platt. The group meets at 9:30am in B-5.

## ***Single Focus***

### **Single adults ages 30+**

Dan and Linda Fong lead biblical studies in an interactive discussion format. Single Focus includes midweek Bible studies and Sunday morning fellowship. The group meets at 9:30am in D-25.

## ***Women Of Valor***

### **Women of all ages**

Dorinda Lucas will be leading a study by Francis Chan, unpacking the dense truth contained in the book of James. True faith produces fruit. A faith without action and without life changes is ultimately a dead faith. The book of James speaks to the realities of a living faith in Jesus borne out of an authentic relationship with the risen Lord. James writes to believers who know suffering, who have faced trials, and who ultimately desire a deep relationship with God. The group meets at 9:30am in D-3.

## ***Young Adult Ministry: Career***

### **Young adults/career age**

Chris Hemme leads this Growth Group as they continue to study the topic of integrity. They meet at 9:30am in D-27.

## ***Young Adult Ministry: College***

### **Young adults/college age**

Ben and Kate Barnes and Justin and Jen Milam will continue leading a study in Romans focusing on how a Holy God can get a sinful man into Heaven and not compromise who He is. We will be unfolding Paul's logic and reasoning as to the divinity and holiness of the Christian gospel. The group meets at 9:30am in D-26.

## ***Youth Group***

### **Students in Grades 7-12**

Pastor Dan Adams will be leading a study of *The Gospel Project*. Through this Christ-centered study we will discover the big picture of what God has been doing throughout redemptive history and what this means for us today. This quarter we are following the life and ministry of Joshua followed by the time of the Judges. Our Junior High (grades 7-8) and Senior High (grades 9-12) meet separately on Sunday mornings at 9:30am in our youth center.

## ***Crossroads***

### **Open group for all ages**

Mal and Sandi Brooker and John and Jeanette Kraidich lead this discussion-oriented Growth Group. The group includes prayer and fellowship time and meets at 11:00am in D-28.

## ***Explorers***

### **Open group for all ages**

Jim and Sue Lutzo will be leading a study on *Moving Mountains* by John Eldredge. Do you want to have a more effective and vibrant prayer life? Do you ever wonder why some people's prayers seem more effective than others? Then join our study on prayer. Using John Eldredge's study series and the Scriptures, we will focus on what Jesus gave us as a model for our prayer life. Jesus wants us to become His disciples in knowing how prayer works. The group meets at 11:00am in D-22.

## ***Harvesters***

### **Open group for all ages**

Jim and Wendy Kazak lead this outreach-centered group that includes weekly Bible study on Sunday mornings. Outreach is focused on community gardening. The group meets at 11:00am in D-25.

## ***Sonseekers***

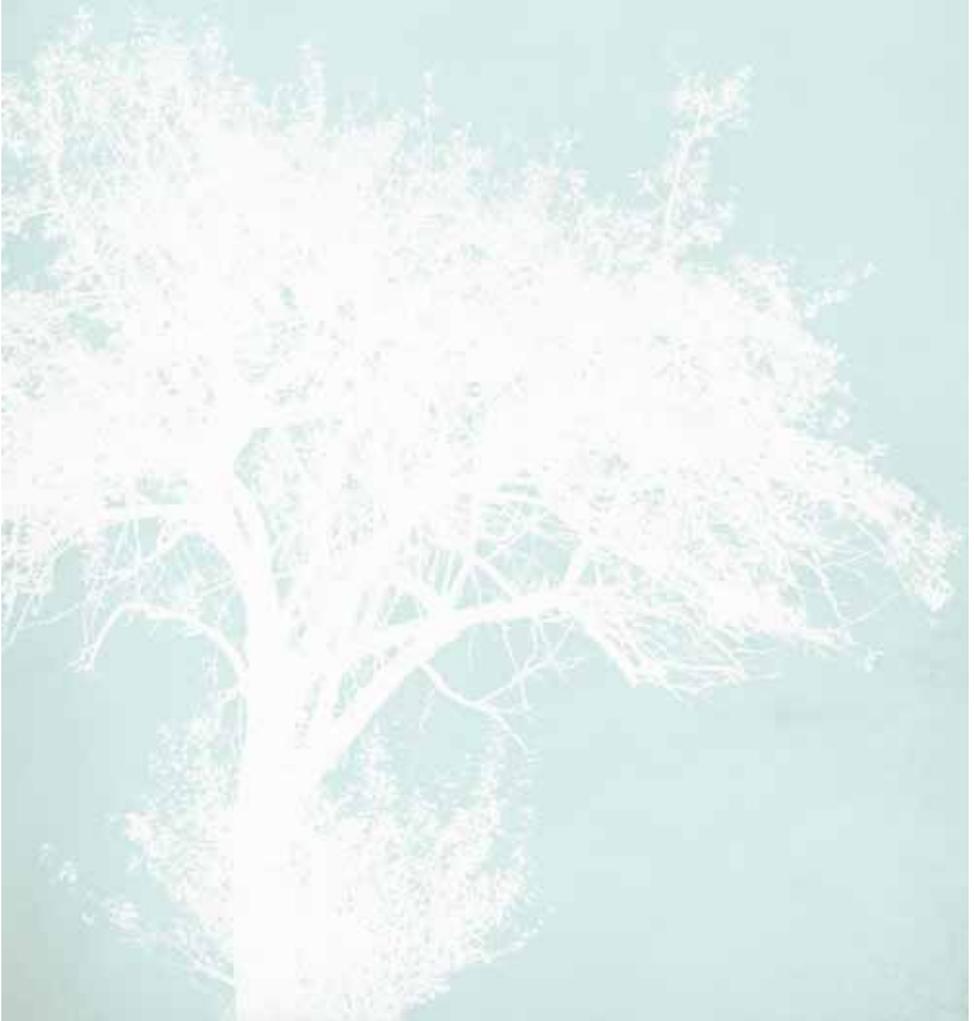

### **Open group for all ages**

George and Betty Leshan will lead a study on why dispensationalism matters. Dispensationalism is far more than simply a way to organize history or a system of belief. It comes from a careful, literal interpretation of Scripture. This study will employ careful interpretation to help learners understand Israel, the Church, Christ's present ministry and coming kingdom, and other future events. The group meets at 11:00am in A-9 and 10 (parlor).

## ***Truth Seekers***

### **Open group for all ages**

John and Linda Voorhies and Joe Kaulfersch will lead a study on the book of Zechariah. Much of today's uncertainty about end-times comes from a failure to understand the major messages found in the Minor Prophets. No Minor Prophet excels Zechariah in its clarity and explanation of the culmination of God's program of redemption. Zechariah is a quintessential prophecy that Christians need to study in order to grasp God's prophetic program for Israel in the days ahead. The group meets at 11:00am in D-3.

Only 9 percent of professing Christians have a biblical worldview. Because of this, today's believers live very similarly to non-believers. A personal sense of significance is rarely experienced, we spend our money and time on things that fail to satisfy and we begin to wonder what life's ultimate purpose really is. We are, in short, losing our bearings as a people and a nation. In this Focus on the Family home study, Dr. Del Tackett looks at life from a biblical perspective. Each lesson discusses in great detail the relevance and importance of living the Christian worldview in daily life.
