

**Introduction:**

- Let's face it – life is downright difficult sometimes. We all go through “deep waters” at one time or another. We struggle with our own flesh, disappointment, failure, disease, and even dying.
- The question we're all asking is, “Where do we find the resources to deal with it all?”
- This morning, we are going to discover an oasis. We are going to begin looking at the promises of God to His children. Let's start by turning to 2 Peter chapter one.

*His divine power has granted to us all things that pertain to life and godliness, through the knowledge of him who called us to his own glory and excellence, by which he has granted to us his precious and very great promises, so that through them you may become partakers of the divine nature, having escaped the corruption that is in the world because of sinful desire (2 Peter 1:3-4).*

*Beloved, the Christian can never experience a power failure. Did you hear that? You can get unplugged, and you can turn off the switch, but the power never fails. It can't. It's there. The moment you put your faith in Jesus Christ divine power is granted to us.*
